

# You're invited to the Association of Natural Health's Annual Natural Health Care Conference

## Free Event

Thurs., Nov 2, 2017  
6:30 pm

Niki Gratrix speaks!

### "The Power of Relationships in Health and Healing"

Investigate the fascinating science behind the cause and effect of relationships on health.

Learn about...

- Adverse Childhood Events (ACE's) and the sincerely frightening health consequences they can have on well-being.
- The latest on social genomics
- Relationships and their impact on health including the key role of the patient-practitioner relationship
- How to address social relationships in the clinic in practical ways

## The Professional Event "Stopping the Symptom Cycle"

Douglasville Conference Center  
6700 Church St., Douglasville, GA 30134  
Friday and Saturday, Nov. 3-4, 2017

### Who should come?

- Natural Healthcare Practitioners
- Integrative Medical Doctors
- Chiropractors
- Naturopaths
- Bio-energetic Screeners

Join us and learn how to remove roadblocks to wellness and restore health balance. Network with other passionate healthcare advocates pick up helpful tips on growing your practice or bettering your own health. Deepen your knowledge and awareness of the latest in natural health care, and its products and technologies, with the top notch program and by visiting the exhibitor's pavilion.
