Reaching health care practitioners committed to supporting natural medicine

Exhibitor/Sponsor Information

Why be an exhibitor or a sponsor at the AONH Conference?

- Exhibitors are gathered in a compact exhibit hall (next to exhibit lectures) with minimal competition and maximum exposure!
- This audience is ENGAGED! Typically attendees are passionate about natural health care and/or in the business themselves. Many are Chiropractors, Naturopaths, Medical Doctors, Researchers, natural food or vitamin store owners, and Massage Therapists. They are eager to know about the next “new” and “effective” thing. They love natural, organic and environmentally safe products. The audience ranges between 130-200 attendees typically.
- In addition to the regular natural health practitioner and enthusiast crowd the AONH typically draws, the public are invited to the opening Key Note Presentation on Thursday evening. The first day of the conference, Thursday, October 13, from 6-8 pm we are holding this public event.
- Easy access to Atlanta Airport
- Affordable pricing
